

2009 North Andover Booster Club Little League VOLUNTEER APPLICATION

All Applications must be submitted to the League Office by March 8th 2009

Dear Volunteer,

Below, please find the Volunteer Application for the 2009, Spring and Summer Baseball seasons. This form must be completed, signed and delivered to NABCLL with a copy of your Drivers License in order to be considered for a Manager, Assistant Coach, Commissioner, Board Member or League Volunteer. The form consists of two parts. The first is a background check performed by the Safety Officer in conjunction with Choicepoint and Little League Baseball. Choicepoint is a National background check company and is the approved background check company for Little League International. For further information about Choicepoint, please go to: www.littleleague.org/common/childprotect/states.asp

During the background check, your name and SS# is checked against the sex offender, child abuse and criminal background check registries. Though not mandatory, it is strongly suggested that you include your social security number when filling out this form. Without the social security number, Choicepoint will only be able to verify by name. This may result in multiple matches against your name, which will result in your application being red flagged. All red flagged applications must be investigated by the Safety Officer in an effort to determine the validity of the claim. The Safety Officer will then go to the registry website for which your name is flagged and verify by picture id, birth date, etc that the person named is not the applicant. Per the Fair Reporting Act, the applicant must receive a letter with backup information directly from Choicepoint® regarding any searches that result in matches associated with your name, which may not be necessarily related to you. A copy of this letter and backup is also sent to the Safety Officer. By including your social security number, this will considerably reduce/eliminate the number of matches that are attributed to your name. In a few states and counties, name searches are the only method used so the complete elimination of false matches is not guaranteed.

Please be advised that all applications as well as all background checks are kept confidential. All materials are secured and cannot be accessed by the public. At the end of the season all documents are destroyed in accordance with NABCLL Policy.

The Second portion of the Application is to provide the league with a history of your involvement in organized sports. It allows the Board of Directors the opportunity to get a sense of your past involvement not only in NABCLL but other sports as well. It will aid in determining positions for the coming year.

NOTE: ALL candidates for managing or coaching positions MUST attend at least one coaching clinic this spring to be eligible to coach (any exceptions require Division VP & President approval).
